

A professional Viking kitchen range is the central focus, set within a marble archway. The range features a stainless steel body with a six-burner gas cooktop and two ovens below. The countertop is made of light-colored marble, and the cabinetry is light wood with brass knobs. The background wall is also marble, and a brass faucet is visible on the wall behind the range. The lighting is warm and focused on the range.

# VIKING®

SIMPLY **ICONIC**

Being a leader requires confidence. It takes vision to anticipate what's just beyond the horizon. It takes guts to create something in a space where nothing existed before.

Leading is exactly what Viking has been doing for over 40 years. We originated the professional-grade range for the home kitchen. Our industry-leading innovations in appliances set the American standard for the modern luxury kitchen. From cooking and ventilation to refrigeration and cleanup—Viking delivers professional performance and stunning design. Simply stated, our products have become the standard for both elite chefs and discriminating designers alike.

And we're just getting started. We won't quit innovating or dreaming. Our advanced performance features and bold new design concepts are unexpected for the field—but not surprising considering Viking's place in the market.

Kitchens begin with Viking.

# VISION MEETS PRECISION

## THE VIKING RVL COLLECTION

The RVL Collection brings full modular flexibility and sleek integration to the heart of the kitchen—reimagining how luxury appliances fit seamlessly into modern living.

# RVL

COLLECTION

## ELEVATED DESIGN. VIKING PERFORMANCE.

The all new RVL Collection reimagines luxury with a bold, modern aesthetic, ushering in a new era for Viking. Standing at the forefront of modular design, ovens and warming drawers can be stacked vertically or side-by-side. Available in sleek black glass or classic stainless steel, fully integrated products fit seamlessly into standard cabinetry and offer limitless design possibilities.

### DESIGNED FOR DISTINCTION

Recently revealed to the world at KBIS 2024, the RVL Collection was honored with the Best of KBIS Style Statement Silver Award. The RVL Collection has also been recognized in the Good Design 2024 Kitchen and Appliances Category.

### SLEEK INTEGRATION

Standing at the forefront of modular design, ovens and warming drawers can be stacked vertically or side-by-side. Fully integrated products fit seamlessly into standard cabinetry and offer endless design possibilities.

### VIKING PERFORMANCE

With dynamic cooking options spanning speed ovens, steam ovens, convection ovens, and induction cooktops, Viking delivers the professional power and performance you've come to expect.

### INTUITIVE CONNECTIVITY

Pair your smart phone with the RVL oven, and place our ever-expanding collection of recipes in the palm of your hand. You'll enjoy effortlessly elevated home cooked meals, and take the guesswork out of cooking and baking.

## 3 SERIES

The Viking 3 Series was born from our Professional line of products. Perfect for those stepping up, spreading out, or emptying the nest, this collection offers sleek styling and standard sizes. Yet it values culinary substance, with true power under its hood. It is a Viking, after all.

## OUTDOOR

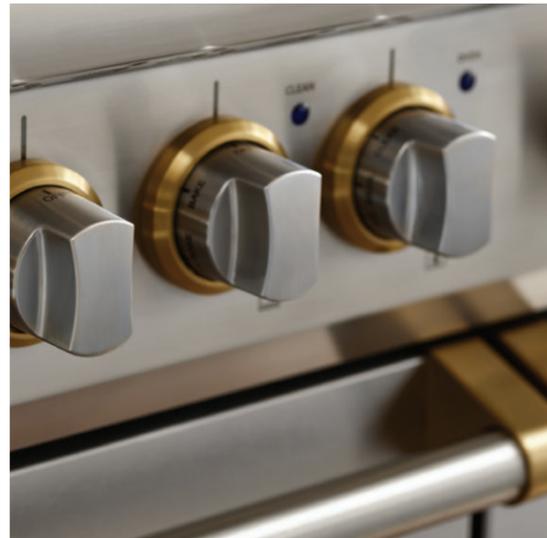

Everything you'd expect to find in a kitchen – except the walls. Of course, our heavy-duty gas grills are the pinnacle of barbecue, but you might be surprised to find products like warming drawers and undercounter refrigerators in the backyard. Mother Nature likes to entertain too.

# DASH OF BRASS WITH A TOUCH OF LUXE

## ADD DELICATE DETAIL WITH BRUSHED BRASS TRIM

Transform your kitchen into a warm, sumptuous sanctuary that exudes timeless, understated luxury with our new brushed brass accents. This refined detail includes handle endcaps, knob bezels, and the iconic logo, all in exquisite brass. Paired with elegant stainless steel knobs and perfectly rounded brass bezels, our ranges offer timeless sophistication with unmatched craftsmanship. Now available on select stainless steel 5 Series Ranges.

## CLEAN. SUSTAINABLE. **ECO-FRIENDLY.**

Fuel choice and consumption are becoming increasingly important in today's time. Viking Induction and Electric products are designed with this in mind, making available several options and sizes providing cleaner, lower-cost energy sources resulting in a smaller carbon footprint. These energy-efficient solutions also mean ease of installation and lower maintenance costs.

# RICH HUES. REFINED STYLE.

## THE NEW VIKING COLOR COLLECTION

Elevate your kitchen with vibrant hues crafted to reflect your unique personality. While the stainless steel finish of the Viking Range will always be in style, our new designer-curated palette of 18 rich hues embody quiet luxury and bold individualism.

THESE ARE PRINTED REPRESENTATIONS OF POWDER-COATED FINISHES. COLOR FINISHES ARE NOT AVAILABLE ON ALL PRODUCTS. SEE YOUR LOCAL DEALER FOR MORE DETAILS.
